Enroll NOW for 2019/2020 Kindergarten

It is important that we obtain an accurate list of all children who qualify for kindergarten in the Jordan School District for the 2019-2020 school year. Your child qualifies for next year's kindergarten program if he or she will be five years of age on or before September 1, 2019. *State law requires that all school districts in Utah abide by the same September 1st entrance cut-off date.*

Registration & Enrollment is done online.

The parent who will be bringing in the paperwork, who will maintain the Skyward Family Access account and who is a custodial parent, should list themselves as Family 1, Guardian 1. On Skyward, changes and updates can only be done by Family 1, Guardian 1. The other parent who lives in the same household will be listed as Family 1, Guardian 2. Make sure you mark yes for "Custodial" and yes for "Pick-Up" if it applies. If parents do not live in the same household, the parent who has primary physical custody is Family 1. The other parent is added as Family 2.

Go to the "Registration and Enrollment" webpage at: planning.jordandistrict.org/enrollment/.

If you are new to the district and do not have a Skyward Family Access account, click on the "Temporary Account for New Student Enrollment" button. This will allow you to create a temporary Skyward login and password that will allow you to create and submit an Online Enrollment Application. If you already have a Skyward Family Access account, or have created a temporary account, click on the "New Student Enrollment" button. This will allow you to login to Skyward and complete an Online Enrollment Application. Your student will be marked P4 when you enter the birth date. Make sure to choose: Next School Year (2019-2020) at the end of step 1 of the enrollment application in order for your student to be processed as 00 (Kindergarten).

PLEASE NOTE: Once you have completed the online enrollment portion, please take the required forms to the school to complete the enrollment process:

- Legal guardian's picture ID (such as a driver's license, state agency picture ID, or passport)
- Child's original birth certificate
- Proof of residency
- Immunization record

Applications are now being accepted for School Choice Open Enrollment for students who wish to attend a school other than the resident (boundary) school. From now until February 15th, permit requests will be considered on a first-come, first-served basis as the school's capacity allows. No board priorities will be considered during this time period. After February 16th permits will be considered based on staffing ratios.
