Please describe the educational setting you feel your child would do best with, in order to maximize his/her learning. We want to be as intentional as possible when making class placements, using all available information. Please use this space to help us better understand your child's needs, rather than to request a specific teacher. Many factors are taken into account as we strive to create the best learning environment possible for every student at Rosamond Elementary. Thank you for taking the time to share this information with us. *Forms will be accepted March 12th – 28th, 2025 for the upcoming school year.
