### Committee Business

1. Marquee: What do we put on it? (Follow up from October)
  - a. Character trait of the month
  - b. Joke and a faster answer
  - c. School dates/Schedule
2. Valentine's Day
  - a. Parties on February 12th (Thursday). Teacher will coordinate with room parents. Goal is to keep it simple due to Parent Teacher Conferences and short day
3. Maturation Program Night
  - a. Invite for 4th-6th grade students.
  - b. Boys program is first, 45 minutes; Girls program is second, 90 minutes.
4. Bathrooms
  - a. Check that girls feminine supplies are stocked for students. They are available in the office
  - b. Note that school needs more sweepers. Must be 14. Suggest sending a Parent Square announcement and post Help Wanted signs at Conferences
5. Parent Teacher Conferences
  - a. February 11th and 12th. Notice will go out tomorrow after school
  - b. Book Fair will be by Paper Pie. Students all get a \$5 credit. No vouchers—just names checked off.
6. Fall Parent Night input
  - a. Best time will be in the fall before PTC
  - b. Topics of interest: technology safety, mental health
  - c. Suggest a hybrid approach with short classes on various topics, as well as booths with information in the gym
7. Feedback from school events
  - a. Holly Jolly shop: Kids without money could get snowflake ornaments—perhaps advertise this fact better next year. Good opportunity to teach kids the value of giving.
  - b. Food Drive: Email was key in getting donations

- c. Kindness Week: Amazing overall, but the kindness notes caused headaches
    - i. One teacher had class write notes to their 2nd grade buddies, as well as had kids pick a name of someone else in class and write a note to them
      - 1. Organize notes different next year. Maybe write to other classes?  
Or to community helpers like First Responders?
    - ii. Let community know much further in advance about soda tabs so people can save them for more than one month.
  - d. Reflections: A lot more participation this year—perhaps because of more parents on the committee. One Rosamond student went on to state.
8. Questions or Comments
- a. School carnival is out for this year; School wide field day instead. June 2nd
    - i. Fire department will come at end of day and spray the students
  - b. Next meeting March 12th to approve draft of plan
  - c. Candie will Email final report from '23-'24
