- 3- SCC Trainings are required. Can watch later.
- 4- Feedback from school events:
 - Halloween Parade- Perimeter was great. Administration should clarify if blow-ups are allowed for next year.
 - Timing of parade was good.

Book Fair- Paper pie was higher priced but it focused more on books. Not as visually appealing. Good to have variety.

New Parent Square- App has been great for communication.

Staffing- Finally able to find someone to hire as P.E. teacher. Mrs. Vietti has a student teacher.

- 5- PTA will be sponsoring a Holly Jolly shop for Christmas. It will be first week of December. Teachers will sign up for a time to take their class. PTA was able to get donations for students who can't afford it.
- 6- New Cell Phone Policy for school district. Some of the issues Rosamond has had with cell phones are kids calling parents before going to the office. Watches are a bigger problem than phones. It was discussed to send communication to parents about why the cell phone policy is needed and the effects it has on students having a cell phone.
- 7- Amendment B was passed. We are unsure how it will affect land trust.
- 8- Tracy Miller won a seat in the house. Her board position is now open.
- 9- PTA will be offering a Memory Book this year. Will look into parents donating money for students who can't afford it.

Motion to adjourn meeting by Abbie and second by Tara.
