

Meeting Minutes
Rosamond Elementary School Community Council
March 11, 2025

Attendees

Members Present: Candi Checketts, Eric Veenendaal, Tara Chase, Abbie Richman, Seth Otteson, Emily Drake

Committee Business:

Motion to approve meeting minutes by Abbie, Seth second. Vote unanimous.

1. Reviewed report from 2023-2024. It was approved on 2/26/2025. A little amount was carried over. Discussed tests scores. Acadience slight increase, RISE stayed consistent, and Math dropped slightly. (Might be an error with the Math percentage, Candie will verify.)
2. Discussed 2025-2025 Land Trust Plan. We reviewed the 3 goals; they are similar to previous years. For goal #3 we gave input and discussed having a way to measure students digital safety knowledge and keyboarding skills. It was discussed to have an assignment/test the students completed to be able to measure their knowledge.
3. TSSA goal and plan for 2024-2025 was briefly reviewed.
4. We discussed the possibility of getting music teacher. We will do art at least one more year. However, if there was a volunteer they could have a music/choir before school.
5. Carnival update: State Risk management will no longer cover any type of inflatable. Dr. Godfrey is working on a solution for this year since all events for the end of the year are planned and deposits made.
6. We are starting to have a problem with cell phones and smart watches. Candie emailed parents the cell phone policy. The school will have to enforce the policy.

Motion to adjourn meeting by Tara and second by Abbie.
