

Inclement Weather Guidelines

Rosamond Elementary

Students should arrive at school at the appropriate time. (No earlier than 8:30 for school or 8:15 for breakfast.)

Students should wait outside their assigned doors prior to the start of school. The first bell rings at 8:40 and school begins at 8:45.

Recesses may be cancelled because of inclement weather. Lunch recess will be spent inside if the weather requires it. All students should stay in their classrooms during inside days. Classroom rules apply.

Students will be brought in the building for the following weather conditions:

- The temperature is below 20° (adjusted for wind chill).
- When the air quality is poor, according to the Utah Department of Environmental Quality.
- When it is raining, snowing or other hazardous conditions are present (wind, lightning etc.).
- When the principal determines there are other environmental concerns.

Please help your students enjoy being outside during recess time as much as possible during the winter months. Students should dress for the cold weather at recess times and while traveling back and forth to school. Coats, hats, gloves and boots do their best work when students wear them! Please check the **Lost and Found** in the gym for missing items.

*Guidelines approved by the Rosamond School Community Council.
